

2018 HPV Summit: Practical Tools To Effect Change

Individual Action Plan

Name: _____ Contact email: _____

City of practice: _____ Phone number: _____

After attending the 2018 HPV Summit, I plan to implement a change in the following area(s):

- Giving a RECOMMENDATION and use the motivational interviewing techniques I learned
- Knowing and understanding my vaccination RATES better by utilizing LINKS
- Using LINKS REMINDER/ RECALL systems to identify opportunities for improvement

Specify the changes you plan to make in each of the areas selected:

What individuals or groups can you engage to help implement these changes?

What do you see as potential barriers?

What are the first steps you can take when you return to your practice to implement the changes?
