Select the type of recall you want to do and proceed

Note: The type of option you can use depends on information on patient demographic page.

(Example: If you collect the email address you can send email as reminder)

The screenshot shows a software interface for Reminder/Recall. At the top, there are three green navigation buttons: "Reports", "Use Templates", and "See Patient Groups". Below these is a blue header "Reminder/Recall" with a progress indicator showing steps 1, 2, and 3. Under the header are five green icons representing different recall methods: a person icon with a checkmark and the number 3, a house icon with a checkmark and the number 2, a telephone icon with a checkmark and the number 3, a smartphone icon with the number 0, and an envelope icon with an @ symbol and the number 0. Below the icons is a blue bar with the text "What do you want to do with your selected recall group?". Underneath this bar is a grid of nine options, each with an icon and a label: "Generate A Patient List" (person icon), "Print Letters" (printer icon), "Generate Auto-Dialer Content" (phone icon), "Generate Mail-Merge" (envelope icon), "Create Custom Post Cards" (postcard icon), "Create Avery 8387 Postcards" (Avery 8387 postcard icon), "Print Labels" (printer icon), "Save As a Patient Group (Cohort)" (two people icon), and "Send Email" (envelope icon).
