

**ANN KAY CEFALU LOGARBO, MD, FAAP**

*Slidell, Louisiana*

**Chief Medical Officer  
Children's International Medical Group**

**A proud native of Louisiana, Dr. Logarbo attended Southeastern LA University and then LSU School of Medicine in New Orleans, LA where she achieved the Alpha Omega Alpha National Medical Honor status. Completing a pediatric residency and serving as chief resident at the infamous Earl K Long Hospital in its glory days, she then started solo practice in Baton Rouge before relocating to Covington, LA, where she founded Northlake Pediatrics.**

**After 27 years, she entered administrative medicine and served as CMO of UHC Community plan for 5 ½ years . Re-entering the provider landscape, she now serves as CMO for Children's International Medical Group, managing quality and oversight of its 21 pediatric clinics across Louisiana and Mississippi.**

**Dr Logarbo has been married to her husband, Brian, for 33 years and has 3 sons all pursuing medicine as a career.**

**One of her greatest honors was receiving the Charles Vanchiere award for childhood advocacy from the LA AAP chapter in 2016.**

**In her spare time she serves as board member for Basket of Hope and a blessing for the Seelos Center of New Orleans. You can regularly find her in sec 605 of Tiger Stadium on home games on Saturdays in the fall.**
