

The Louisiana State Board of Medical Examiners Partners with CE Broker

In October 2020, the Louisiana State Board of Medical Examiners started using CE Broker to better track and administer CME requirements. Starting January 2022, the Board will pair CE Broker with its licensing system to integrate and automate audits at the time of license renewal. CE Broker operates under a \$0 SLA Agreement, meaning neither the Board nor the State of Louisiana pays for CE Broker's services.

So while you will be required to use CE Broker to track and report your CME, you will never have to pay for a CE Broker Basic Account. However, you do have the option to subscribe to an upgraded account, and LA AAP Members receive a 10% discount off the Concierge account, which offers additional CE tracking tools.
