30th Annual
Red Stick Potpourri
2022
AUG
19th - 21st
Baton Rouge

Louisiana Chapter
American Academy of Pediatrics
DEDICATED TO THE HEALTH OF ALL CHILDREN®
The Louisiana Chapter is excited to welcome you to the 2022 Red Stick Potpourri!

We hope this year's conference provides you with an opportunity to learn and connect with colleagues. We can't wait to see you in Baton Rouge.

CONFERENCE THEME AND ATTIRE

This year we are going western. Attendees are encouraged to come dressed in their best western attire.

Each day a "best dressed" award will be given. Winners will be announced at the end of each day's programming.
Target Audience

The Red Stick Potpourri is an integrated educational program for pediatricians and pediatric sub-specialists. Content is appropriate for other healthcare professionals including registered nurses.

Conference Objectives

- Distinguish different types of adverse food reactions, including IgE-mediated food allergy, develop an evidence-based approach for the diagnosis of peanut allergy, identify potential future therapies for the management of peanut allergy.
- Recognize the importance of acute otitis media as a focus of outpatient antimicrobial stewardship, define best practice management of acute otitis media, apply knowledge of pharmacologic and microbiologic principles to everyday clinical practice.
- Review data on breastfeeding rates in Louisiana and recognize areas for improvement, identify risk factors and challenges breastfeeding mothers face that may influence breastfeeding success and perceived need to supplement, discuss indications and best practices for supplementation in a healthy term neonate.
- Apply a simple and reproducible evaluation of the child with urinary complaints, recognize common links between bowel dysfunction and abnormal voiding, counsel and set goals for treatment in patients suffering from bowel and bladder dysfunction.
- Emphasize the importance of multi-disciplinary care for children with cleft lip and palate, outline overall timeline of care for children with cleft lip and palate, discuss potential interventions by pediatrician throughout childhood.
- Review the definition and prevalence of food insecurity in children both nationally and in the state of Louisiana, implement the 2-item Hunger Scale into their pediatric practice, regardless of specialty, recognize the available resources for food insecurity in Louisiana, improve patient health outcomes by referring families who screen positive to those resources.
- Describe current STI and HIV screening algorithms for adolescents, comprehend how to diagnose STIs and HIV in children and adolescents, apply the new STI treatment guidelines in the pediatric clinical practice, recognize the importance of taking sexual history in the adolescent population in order to prevent the acquisition and spread of STIs and HIV.

The Louisiana Chapter of the American Academy of Pediatrics

2021 - 2023 Board of Directors

Rachel Chatters, MD, FAAP  President
Joseph Bocchini, Jr., MD, FAAP  Vice President
Kim Mukerjee, MD, MPH, FAAP  Secretary/Treasurer
Bridgett Foreman, MD, FAAP  Early Career Physician
Ann Kay Logarbo, MD, FAAP  At-Large Member
Elizabeth Seiter, MD, FAAP  At-Large Member
John Vanchiere, MD, PhD, FAAP  Immediate Past President

Staff

Ashley Politz, LMSW  Executive Director
Taryn Daigle, BS  Director, Education & Membership

This event is made possible in part by an AAP educational grant supported by Abbott Nutrition a proud supporter of the AAP.
CREDIT STATEMENTS:

The Louisiana AAP is accredited by the Louisiana State Medical Society (LSMS) to provide continuing medical education for physicians. The Louisiana AAP designates this live activity for a maximum of 15.50 **AMA PRA Category 1 Credits TM**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MOC 2 Statement:
Successful completion of this CME activity, which includes participation in the activity and individual assessment of and feedback to the learner, enables the learner to earn up to 15.0 MOC points in the American Board of Pediatrics’ (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

Nursing Credits:
This activity has been provider approved for 15 contact hours of Nursing Continuing Education by Workplace Nurses LLC. Workplace Nurses LLC is approved as a provider of Nursing Continuing Education by the California Board of Registered Nursing, CEP #13,654.

Disclosures:
In accordance with LA AAP policy, all committee, planning, and faculty members have signed a conflict of interest statement in which they have disclosed any significant financial interests or other relationships with industry relative to topics they will discuss at this program. At the beginning of the program, faculty members are expected to disclose any such information to participants. Such disclosure allows the participant to better evaluate the objectivity of the information presented in lectures.

LA AAP fully complies with the legal requirements of the ADA and the rules and regulations thereof. If any participant of the program is in need of accommodations, please submit a request in writing to Taryn Daigle at taryn.daigle@laaap.org

PUBLIC HEALTH PROTOCOLS:
The staff is working closely with the venue to ensure that all public health protocols required by city and state officials are followed. Attendees will be notified in advance of the program of any restrictions in place.
